

Lecturer GUI

After login, the following page opens as other window.

The screenshot shows a web-based interface for a lecturer. At the top, there is a 'Students List' table with columns for Name, Permit, and Banned. The first row shows 'student01' with a 'Raise hand' icon, a 'Yes/No' status, and a 'Submit Survey' icon. To the right of the table is a 'Lecturer's Image (Self Image)' showing a man at a desk. Below the table is a 'Permitted Student's Image' area, currently showing 'NO VIDEO IMAGE'. At the bottom, there is a navigation bar with buttons for File Share, Ap Share, Web Share, White Board, QuizManager, Chat, Setting, Voice, Video, Logout, and Logout All.

Labels in the image:

- Students List
- Lecturer's Image (Self Image)
- Student's Name
- Student's Status (It shows "Raise hand", "Yes/No", and "Submit Survey")
- Permit or ban This student
- Permitted Student's Image

	It shows that student is permitted by the lecturer and speaking.
	It shows that student is clicking [Yes] button on the students GUI.
	It shows that student is clicking [No] button on the students GUI.
	It shows that student submitted answer of survey distributed by the lecturer.

Question 1
Question: If you work ____, you should be promoted to the next grade within two years.

Answer:

- hard
- hardest
- hardly
- more hard

Buttons: Register, Done

Teachers can make online test and distribute it to the students while lecturing.
 Teachers can make seven kinds of online tests (fill in the blank, matching, multiple answer, multiple choice, ordering, free answer, and True/False). When the test is distributed, pop up window displays on the student screen.
 When the student transmits answer, it is graded by the system automatically (Exclude the free answer form).
